Tenant Authorization

I request that my Last Month's Rent (LMR) deposit be handled as follows:

Please select **one** of the following options:

- ☐ I would like my LMR refunded to me by cheque
- ☐ I would like my LMR applied as a credit to my current rent account
- ☐ I would like my LMR applied toward my outstanding arrears

For us to proceed with your above selection, please sign the enclosed lease addendum, which removes the rent deposit clause from your current lease agreement. Both documents should be completed and returned to your CSW. Should you have any questions, please contact the office.
