Should the Treasury Department and the Department not be able to reach agreement on Specifications within the allotted timeline, the Department Head and Treasurer will attempt to resolve the matter.
- (4) The County may issue a Request for Information or RFI through the Treasury Department. A RFI can be used to determine if there is sufficient vendor interest to justify proceeding with a competitive procurement process and/or to gain additional information on the Good and/or Service from the vendor community. Any resulting competitive procurement process will be issued in accordance with Policy # 5 – Determining the Procurement Process.

POLICY # 4 - Prequalification of Vendors

SECTION 4.4

- (1) The purpose for prequalification of vendors is to ensure that each vendor intending to perform work on a County Contract can demonstrate its ability to provide the necessary expertise and resources to satisfactorily complete the work required.
- (2) Prequalification of vendors shall be issued through Centralized Procurement and will only be considered in the following circumstances:
 - (a) the work will require substantial project management by the County if the vendor is not appropriately experienced and could result in a substantial cost to the County;
 - (b) the Goods and/or Services to be purchased must meet specific regulatory standards;
 - (c) the work involves complex, multi-disciplinary activities, specialized expertise, equipment, materials, or financial requirements;
 - (d) there could be a substantial impact on County operations if the work is not satisfactorily performed the first time;
 - (e) where time requirements necessitate efficient use of time and expertise;
 - (f) any other circumstances deemed appropriate by the Treasurer.
- (3) Prequalification requires vendors to provide such information as requested by the County to determine that the vendor has the capability in all respects to perform the contract requirements. This information may include such things as:
 - (a) previous experience on similar work (firm and staff assigned);
 - (b) capacity to fulfill the contract requirements;
 - (c) the facilities and/or equipment to perform the work.
- (4) Vendor submissions will be evaluated, ranked, and a list of prequalified vendors will be established.

(5) **Vendors of Record:**

Vendors may be granted Vendor of Record status. This will be predicated upon competitive pricing, quality workmanship and exemplary service. As such, purchasing requirements with a value of under \$10,000 per incidence shall be directed to Vendors of Record. Purchase requirements with a value of \$10,000 or greater shall be subject to the appropriate bidding process outlined in Policy 5 of this policy.

POLICY # 5 - Determining the Procurement Process

SECTION 4.5

- (1) Sales taxes, excise taxes, value added taxes, duties and shipping shall be excluded in determining the procurement limit of Authorized Delegates and the type of procurement process to be followed.
- (2) The dollar values identified in this Procurement Policy represent the **annual** estimated procurement value for a Good and/or Service to be procured. The annual estimated procurement value is the cumulative value of a particular Good and/or Service in one calendar year. For multi-year Contracts, the estimated total procurement value over the term of the Contract, including any renewal periods, shall be used as the basis for determining which procurement process and Approval Authority applies.
- (3) It should be the intent of the Department to procure Goods and/or Services of like nature as a combined effort.
- (4) Where Provincial and/or Federal Governments impose unique requirements in order to qualify for funding, the County's procurement documents will be amended to include those provisions.
- (5) Where the estimated gross revenue for a Revenue Generating Contract is \$10,000 or greater, the Revenue Generating Contract shall follow the Approval Authority in Policy 2 and be processed through Treasury.

Service Revenue Contracts of any value shall be exempt from the public procurement processes outlined in the Procurement Policy, save and except Policy # 2 – Approval Authority and Policy # 13 – Authority to Execute Contracts. Mixed Revenue Contracts are not exempt.

In the event that a Revenue Generating Contract falls under more than one County Policy, both Policies must be adhered to unless that Contract and/or the other County Policy is specifically exempted from the Procurement Policy.

POLICY # 5.1 - Low Dollar Value Procurements (Up to but not including \$10,000)

SECTION 4.5.1

- (1) Departments shall utilize all existing County Contracts where applicable and shall otherwise be in accordance with the Procurement Policy.
- (2) Obtain best efforts and competitive pricing.
- (3) The Department Heads may delegate Approval Authority to their staff for Low Dollar Value Procurements. This procurement function has been de-centralized and therefore, it is the responsibility of the respective Department Head to ensure that the Procurement Policy is adhered to.
- (4) Neither a RFQ, RFP nor RFT is required for Low Dollar Value Procurements.
- (5) For any purchases greater than \$5,000 and less than \$10,000, a minimum of two bids are required. Bids can be via voice, email, formal quote or internet pricing and must be documented. All documentation shall be forwarded to Treasury.

POLICY # 5.2 - Request for Quotations
(\$10,000 – up to but not including \$50,000)

SECTION 4.5.2

- (1) Departments shall utilize all existing County Contracts where applicable and shall otherwise be in accordance with the Procurement Policy.
- (2) For procurements where there are no applicable County Contracts, a Request for Quotations process is used by the originating Department in the following manner:
 - (a) Unless otherwise approved by the Treasury Department, a minimum of three compliant Bids shall be obtained by any method of written communication;
 - (b) Bids must be received from a minimum of three separate vendors;
 - (c) a “No Bid” response shall not be considered a valid Bid;
 - (d) all vendors shall receive the same Request for Quotations written information;
 - (e) the Request for Quotations shall be awarded to the Lowest Compliant Bid;
and
 - (f) all documentation obtained in receipt of quotes shall be included with the Purchase Order and provided to Treasury in accordance with County By-law No. 2017-12 (To provide for the Classification, Retention and Destruction of the records of the County of Dufferin), as amended, re-enacted or replaced from time to time.

The Treasurer may waive the requirement for three Bids, but will only do so where the Client Department has demonstrated to the satisfaction of the Treasurer that a minimum of three Bids cannot be obtained.

- (3) Any multi-year Request for Quotations, including any contract with option(s) to extend, must be reviewed and approved by the Treasury Department prior to the RFQ being issued. As well, all Bids received in response to a multi-year Request for Quotations and any award recommendation shall also be reviewed by the Treasury Department to ensure compliance with the RFQ and this Policy #5.2.
- (4) Staff is encouraged to seek more than the minimum three written Bids to ensure a more competitive process and to utilize any Request for Quotations template provided by the Treasury Department
- (5) In the event that two or more identical Bids are received and are the Lowest Compliant

Bids, best and final offers will be solicited from each of these vendors in order to break the tie. If this effort is unsuccessful, then a draw will be held to determine the successful vendor.

- (6) The Treasury Department shall assist when requested by the Department, or when deemed necessary, with the Request for Quotations process.
- (7) The Goods and/or Services shall be procured through a Purchase Order, Contract process and/or any other process as approved by the Treasurer. Where a formal Contract is necessary, such Contract shall be in a form satisfactory to the County Solicitor.
- (8) When a Department would like to issue a RFP in lieu of a Request for Quotations, the RFP shall be issued by the Treasury Department in the same manner as for Requests for Proposals in Policy # 5.4 of the Procurement Policy.

POLICY # 5.3 - Request for Tenders (\$50,000 and greater)

SECTION 4.5.3

- (1) Departments shall utilize all existing County Contracts where applicable and shall otherwise be in accordance with the Procurement Policy.

 - (a) the Request for Tenders process is to be used for Goods and/or Services with an estimated procurement value of \$50,000 or greater and where comprehensive technical Specifications can be developed;
 - (b) the Request for Tenders process must be implemented through Treasury;
 - (c) all Requests for Tenders shall be issued and awarded in accordance with the tendering procedures as determined by the Treasurer;
 - (d) the Request for Tenders shall be awarded based on the Lowest Compliant Bid. In the event that two or more identical Bids are received and are the Lowest Compliant Bids, best and final offers will be solicited from each of these vendors in order to break the tie. If this effort is unsuccessful, then a draw will be held to determine the successful vendor.
- (3) When no compliant Bids are received in response to a Request for Tenders, and
 - (a) where time permits, in the opinion of the Department Head, the Request for Tenders shall be re-issued with the appropriate revisions; or
 - (b) where only one Bid has been received, the Treasurer in conjunction with the originating Department may proceed to negotiate the changes required to achieve an acceptable Bid, provided that such changes will not alter the general nature of the procurement described in the Request for Tenders; or
 - (c) where time does not permit the re-issuance of the Request for Tenders in the opinion of the Department Head, and the Request for Tenders is not otherwise being revised, all vendors who submitted a Bid or secured the original Request for Tenders shall be given the opportunity to submit a new Bid. The Treasury Department will communicate to each vendor who previously submitted a Bid, any deficiencies that resulted in its Bid being deemed non-compliant. This process may utilize a post-closing addendum.

- (4) Where one or more Bids have been received and are in excess of budgeted funds, the Department Head in consultation with the Treasurer may enter into negotiations with the vendor submitting the Lowest Compliant Bid, where it is agreed that the changes required to achieve an acceptable Bid will not change the general nature of the requirement described in the RFT.
- (5) The Goods and/or Services shall be procured through a Purchase Order, Contract process and/or any other process as approved by the Treasurer. Where a formal Contract is necessary, such Contract shall be in a form satisfactory to the County Solicitor.
- (6) Where a Time-Sensitive situation occurs, the Treasurer may authorize the Department to utilize the Policy # 5.2 - Request for Quotations in lieu of the Request for Tenders process. For example, procurement of goods and services as a result of time limited funding.

POLICY # 5.4 - Request for Proposals (\$50,000 and greater)

SECTION 4.5.4

- (1) Departments shall utilize existing County Contracts where applicable and shall otherwise be in accordance with the Procurement Policy.
- (2) For procurements where there are no applicable County Contracts,
 - (a) the Request for Proposals process is to be used for Goods and/or Services with an estimated procurement value of \$50,000 or greater and where comprehensive technical Specifications cannot be fully defined or specified, or when alternate methods are being sought to perform a certain function or service, at the time of the request;
 - (b) the Request for Proposals process must be implemented through Treasury;
 - (c) the Request for Proposals shall be issued and awarded in accordance with the RFP procedures as determined by the County's Treasurer;
 - (d) the Request for Proposals shall clearly set out the evaluation criteria and weightings upon which an award of the Request for Proposals may be made.
- (3) Treasury will facilitate the RFP evaluation process. An evaluation committee will be formed with a minimum of three evaluators and be comprised of at least one representative from the originating Department. The evaluators shall review all compliant Bids against the established criteria, reach consensus on the final rating results, and ensure that the final rating results with supporting documents are kept in the procurement file.
- (4) All Bids that meet the mandatory requirements (terms, conditions and Specifications) outlined in the Request for Proposals document shall be evaluated based on the evaluation criteria and weightings, subject to any rights or privileges reserved by the County;
- (5) Any award shall be made in accordance with the evaluation criteria and weightings contained in the Request for Proposals document, subject to any rights or privileges reserved by the County or as otherwise approved by Council.

- (6) When no compliant Bids are received in response to a Request for Proposals, and
- (a) where time permits in the opinion of the Department Head, the Request for Proposals shall be re-issued with the appropriate revisions; or
 - (b) where time does not permit the re-issuance of the Request for Proposals in the opinion of the Department Head, the Request for Proposals is not otherwise being revised, and the non-compliance is associated only with the pricing portion of the multi step evaluation process, all vendors who have successfully passed the technical proposal requirements of the Request for Proposals shall be given the opportunity to submit a new price Bid only. The Treasury Department will communicate to each of these vendors, any Bid deficiencies that resulted in its Bid being deemed non-compliant with respect to pricing. This process may utilize a post-closing addendum.
- (7) Where only one Bid has been received in response to a Request for Proposals and
- (a) is non-compliant; or
 - (b) has successfully passed the technical proposal requirements but the Bid is non-compliant with respect to pricing,

The Treasurer in conjunction with the originating Department may proceed to negotiate the changes required to achieve an acceptable Bid, provided that such changes will not alter the general nature of the requirement described in the Request for Proposals.

- (8) Where the Bid being recommended for award is in excess of budgeted funds, the Department Head in consultation with the Treasurer may enter into negotiations with the vendor submitting that Bid, provided that it is agreed by both the County and the vendor that the changes required to achieve an acceptable Bid will not alter the general nature of the requirement described in the RFP.
- (9) Except where another process is approved by the Treasurer, the Goods and/or Services shall be procured through a Purchase Order and/or Contract process. Where a formal Contract is necessary, such Contract shall be in a form satisfactory to the County Solicitor.

POLICY # 6 - Unsolicited Proposals

SECTION 4.6

- (1) If it is determined that there is a legitimate need for the Goods and/or Services offered by way of an unsolicited proposal, then an acquisition process shall be conducted in accordance with the Procurement Policy.

POLICY # 7 - Construction Contracts

SECTION 4.7

- (1) Where the procurement of Goods and/or Services involves construction, such construction Contracts must also meet the requirements of the Procurement Policy. However, construction Contracts of \$50,000 or greater also require both a Purchase Order and a written legal agreement, in a form satisfactory to the County Solicitor.
- (2) For an approved construction Contract in which an unexpected circumstance arises during construction resulting in additional construction work, the Department Head may authorize the payment for such work and approve any required purchase acquisition documents, including a completed *Construction Contracts Form*.
- (3) Where additional consultancy work is required to oversee or administer the additional construction work referred to in subsection (2), and the consultancy services were not issued as a Policy #9 – Consulting and Professional Services roster assignment, Policy #10 Emergency – Procurements or Policy #11 – Non-competitive Procurement, the Department Head may authorize the payment for such consultancy work and approve any required purchase acquisition documents, including a completed *Construction Contracts Form*.
- (4) The *Construction Contracts Form* shall detail what additional construction or consultancy work was required to address the unexpected circumstances. Such additional work shall not expand the scope of the work but shall have been determined to be necessary in order to deliver the original approved work.

POLICY # 8 - Vendor Performance Evaluation

SECTION 4.8

- (1) At the completion of every Contract for Goods and/or Services of \$50,000 or greater, the Client Department shall complete a *Vendor Performance Evaluation Form*. - (4) Documented poor performance or non-performance on any County Contract will be used to determine the eligibility of a vendor to continue to provide Goods and/or Services to the County on a current Contract and to determine their ability to participate on future County Contracts. Any vendor may be excluded from a bidding process due to documented poor or non-performance or where in the opinion of the County, the commercial relationship between the County and such vendor has been impaired.
- (5) The County's Public Works Department shall be responsible for the vendor performance evaluation process with respect to linear construction Contracts issued by that department under Policy # 7 – Construction Contracts.
- (6) In the event of a vendor's breach of a County Contract, the Treasurer in consultation with the Department Head shall have the discretion to either:
 - (a) re-issue the RFQ, RFT or RFP; or

Work assignments presented to vendors on an approved list (rostered candidates) will be distributed on a rotational basis as well as a “best fit” basis and having an estimated procurement cost of less than \$50,000.
- (3) The Department Head shall award such works by direct appointment through the Treasury Department. Treasury shall ensure that there is a reasonably equitable distribution of the works, based on the total dollar value of the work. This method allows the County to employ a number of different consultants while matching the particular talents of a consultant to the project needs.
- (4) The Department Head and the Treasurer shall approve the appointment of rostered candidates and any acceptable subsequent change in any rostered candidate for their respective roster categories in accordance with the Request for Rostered Candidate document.
