Section 4: Additional Information

Provide a brief explanation of any conditions for acceptance and what happens to the materials after it is collected.

Please list any fees, conditions, comments, or explanation:

Please provide a brief explanation of how the materials/products are used:

Do you track the amount of material you take back?

We're very interested in how we can measure the results of this program. If you keep track of the amount that is taken back, or would like to start, please let us know. Any comments, ideas, or suggestions on this topic are much appreciated.

Section 5: Terms & Conditions

Please check each box to confirm that you have read and accept these terms and conditions.

- There are no fees to become a partner in the program.
- Vendors must commit to receive the items they have specified on the commitment form. Vendors must commit to reuse, recycle, or properly dispose of these materials.
- Vendors may charge a small fee to recover their costs from consumers for the management of returned materials. Please indicated on the form if a fee applies.
- Dufferin will include vendors in the annual print publication of the Waste Services Guide, which is mailed to every household in Dufferin County.
- Dufferin will make the Take it Back directory available online at dufferincounty.ca/waste.

We have read and consent to the terms and conditions and agree to receive the items indicated on this registration form and ensure that they are reused, recycled, or disposed of responsibly. In return, it is understood that the County of Dufferin will promote us as a Take it Back partner.
