Museum receives funding for infrastructure improvements

Dufferin Caledon MP David Tilson dropped by the Dufferin County Museum & Archives (DCMA) on Tuesday, January 15 to announce that DCMA will be receiving their requested amount of \$27, 500 through the Canadian Infrastructure Improvement Fund.

The Community Infrastructure Improvement Fund (CIIF) is a new, two-year national program that will invest \$150 million to rehabilitate and improve existing community infrastructure across Canada. It will help to modernize infrastructure and provide broad-based economic benefits to communities.

The DCMA will use these funds for much needed exterior improvements to the museum facility. Tilson was joined by (left) Dufferin County Warden and Mayor of Mono Laura Ryan, Town of Grand Valley Mayor and DCMA Board Chair John Oosterhof and DCMA General Manager Darrell Keenie.

The Dufferin County Museum & Archives is situated on the north east corner of Highway 89 and Airport Road. For more information please call, 705-435-1881 / 1-877-941-7787. www.DufferinMuseum.com
