Orangeville, Ontario  
L9W 1B8

*For Immediate Release: Friday, February 1, 2013*

# DUFFERIN COUNTY PUBLIC MEETING RESCHEDULED

## REQUEST FOR UTILITY EASEMENT ALONG RAIL CORRIDOR (DUFFERIN WIND POWER)

The public meeting scheduled for January 31, 2013, regarding the request for utility easement along the former rail corridor has been postponed due to weather conditions. The new date is Tuesday, February 5, 2013.

### Background

The County of Dufferin is the owner of the former Rail Right-of-Way running north of Orangeville to Grey County.

In late 2011, Dufferin Wind Power Inc. (DWPI) approached the County of Dufferin with a request for an easement along the vacant rail corridor for the installation of 230 kV transmission line.

Council directed County staff to commence a review of the proposal, engage in public consultation while at the same time negotiate with Dufferin Wind Power to enter into a pre-agreement before entering into an easement agreement.

The rescheduled information session will be held as follows to provide information from the County of Dufferin's Consultants:

**Date:** Tuesday, February 5, 2013  
**Time:** 7:15 p.m.  
**Location:** Centre Dufferin Recreation Complex, Town and Country Room  
200 Fiddlepark Lane, Shelburne, Ontario

Feel free to contact us with comments and questions.
