DUFFERIN COUNTY-DECLARATION OF EMERGENCY TERMINATED

As of 9:00 a.m. today, Dufferin County has terminated the emergency declared on January 29, 2014. Dufferin County and each of the eight member municipalities in partnership with the public and private sector, have opened all of the primary roadways.

Secondary roads throughout Dufferin County still require some maintenance work and motorists are reminded to drive according to conditions.

“I want to personally thank all of the professionals who have come together to help us get the upper hand on this exceptional winter weather” said County Warden Bill Hill. “This event should serve as a reminder to everyone who lives in or visits Dufferin County that severe weather can cause dangerous conditions and everyone needs to be prepared at home, at work and in their vehicles”, stated Warden Hill.
