

Jean Hamlyn Day Care Centre is planning a Part-Day Early Learning Program!

The County of Dufferin & Jean Hamlyn Day Care Centre are developing an Early Learning program to run during the 2014/2015 school year (September – June).

What is an Early Learning Program?

The program will be for children 2.5 – 3.8 years of age and would be offered Monday – Friday during the school year. The program will run from 9:00 a.m. – 11:30 a.m. The program will not run on PD Days or Statutory Holidays. Families can register at the beginning of the program for a minimum of 2 days per week and a maximum of 5 days per week. The program will be led by a Registered Early Childhood Educator (RECE).

What will my child learn at this program?

Jean Hamlyn Day Care Centre provides an emergent, play-based curriculum which offers children a variety of learning opportunities. Programming is guided by the province of Ontario's framework "Early Learning for Every Child Today". The Registered Early Childhood Educators guide, support and inspire learning through inquiry and play.
