

We may be looking for you !

The County of Dufferin is currently looking for Public Members to serve on the County Forest Operation Review Committee.

Committee Priorities

The ad hoc committee's priority initially would be to consider the County's forest operation at a high level, which may include discussion of:

- the requirement to manage forest lands at the County level, including the need and reasons for its existence, and applicable legislation
- the County Forest lands' connectivity to the overall community and forest cover in Dufferin
- the role of the forest and the County of Dufferin in relation to regional conservation and environmental protection organizations
- opportunities for the ultimate purpose and use of the County Forest lands, including potential future uses
- the goal and objectives of the Dufferin County Forest to date, which directly relate to the environmental, economic and social sustainability of the forest properties

If you are 18 or over, a resident of Dufferin County and interested in helping with this project, let us know. People with a background of Environmental Studies, Forest Management, Conservation Management, Recreation, Trail Management, public engagement and/or interest in taking part in such a review are preferred.

Please forward your information to us (ie. resume/biography) via email, in person, fax, or by mail by Friday, April 17, 2015.

All committee agenda material is distributed via email.
