

TO COINCIDE WITH DAYLIGHT SAVINGS! Change your clocks. Change your smoke alarm batteries. Then...

BATTERIES DEAD? RECYCLE INSTEAD!

Single-use alkaline batteries are collected curbside twice a year, during the week following the time change.

next collection date:

November 6-10, 2017

BATTERY BAGS will be mailed to each resident ahead of the collection. Bags are also available for pick up at any local municipal office.

Place the battery bag on top of your Blue Box contents on your regular waste collection day during the week following the time change for Daylight Savings.

If you miss the collection date, or do not receive curbside Blue Box collection, visit dufferincounty.ca/waste for a battery recycling location near you.
