

Reduced Load Restrictions

Reduced Road Load Restrictions are in effect as of Thursday, March 1, 2018 until further notice.

Effective March 1, 2018 all Dufferin Roads are under a reduced load (5 tonnes per axle) period, with the following exceptions:

- Dufferin Roads 24, 25, 109, 124 (former provincial highways)
- Dufferin Road 3
- Dufferin Road 7 from Highway 10 to 5 Sideroad Mono
- Dufferin Road 11 from 109 to Shannon Court
- Dufferin Road 17 from County Road 124 to 4th Line Melancthon

The reduced load restriction period typically occurs between March 1 and May 15, dependent on weather and road conditions, as per By-law 2005-32.
