IMAGINE HEADWATERS Campaign Gets Council Support

Dufferin – At the May 10th meeting of County Council the CEO of Headwaters Health Care Centre presented information about the Imagine Headwaters Campaign.

An integral part of the Imagine Headwaters Campaign is seeking the public's feedback to help plan for the future of your community hospital. In an effort to better understand the needs of the community the hospital is asking everyone to help identify what they can do better to help care for the wellness of you and your family?

Warden Mills and Council are encouraging everyone to complete the anonymous survey or share their thoughts on the future of our community hospital by email.
