ROAD USE AGREEMENT

This Agreement made this _____ day of August, 2013.

BETWEEN:

THE CORPORATION OF THE COUNTY OF DUFFERIN
(hereafter referred to as the “**County**”)

OF THE FIRST PART

AND

DUFFERIN WIND POWER INC.
(hereinafter referred to as “**Dufferin Wind**”)

OF THE SECOND PART

WHEREAS the County is now or may hereafter become the owner of or otherwise exercise jurisdiction over certain public highways or roads in Dufferin County (the “**Roads**”); and

WHEREAS Dufferin Wind is developing a wind energy generation project designated as the Dufferin Wind Project located in the Township of Melancthon and the related transmission facilities for that project connecting it to the IESO-controlled electricity grid at Hydro One Networks Inc.’s Orangeville transformer station (collectively, the “**Project**”);

WHEREAS Dufferin Wind wishes to use the Roads for the transportation of wind turbine components, substation and switching station components, electrical cables, poles and other machinery, equipment, facilities and building materials required for the installation, construction, maintenance and operation of the Project (the “**Road Uses**”); and

WHEREAS the County has agreed to confirm Dufferin Wind’s right to use the Roads for the Road Uses on the terms hereof.

NOW THEREFORE, in consideration of payment of the sum of TEN DOLLARS (\$10.00) by Dufferin Wind to the County and the other good and valuable consideration as set forth below, the sufficiency of which consideration is hereby acknowledged, the parties hereto agree as follows:

1. The County hereby grants to Dufferin Wind, for a period of twenty-five (25) years commencing on the date hereof (the “**Term**”), the right, privilege, interest and benefit to enter upon the Roads with such persons, vehicles (including oversize vehicles), equipment and machinery as maybe necessary or desirable for the Road Uses and to test, construct, re-construct, maintain, inspect, remove, alter, enlarge and repair the Roads (collectively the “**Rights**”).
2. If Dufferin Wind is not then in default under this Agreement in any material respect, Dufferin Wind shall have the option to extend the Term of this Agreement for two further terms of ten

(10) years each. Each extension of the Term shall be upon the same terms and conditions of this Agreement except that there shall be no further right of extension following the second extension term. Each option shall be exercisable on not more than (12) months' and no less than six (6) months' notice to the County prior to the expiry of the then current Term.

3. Dufferin Wind hereby acknowledges that the Rights shall not be exclusive and that the County has or may grant similar rights and privileges to others. Dufferin Wind further acknowledges that nothing in this Agreement shall prohibit or restrict the County from entering upon any of the Roads and conducting work thereon for its own municipal purposes. The County shall not be required to provide notice to, or seek approval from, Dufferin Wind for work carried out by or on behalf of the County. In the event work carried out by or on behalf of the County adversely affects the Rights and Works (as defined in section 5), the County acknowledges that it will use its commercially reasonable best efforts to assist Dufferin Wind in finding an alternative solution acceptable to the County acting reasonably.
4. Notwithstanding any other provision of this Agreement, Dufferin Wind shall not be permitted to transport oversized loads on Roads unless Dufferin Wind has obtained the necessary oversized load permits in accordance with Section 110 of the *Highway Traffic Act* or any successor thereto, and in accordance with the County's usual process for oversized loads.
5. Dufferin Wind acknowledges that the then current condition of the Roads may not be sufficient for Dufferin Wind's Road Uses and that the County shall not be under any obligation to improve such condition pursuant to this Agreement. Dufferin Wind agrees that, in testing, constructing, reconstructing, maintaining, inspecting, removing, altering, enlarging and/or repairing the Roads (the "**Work**"), it shall use all due care and diligence to minimize interference with the travelled portion of the Roads or any pedestrian, vehicular or other traffic thereon, or any use or operation thereof or any ditch or drain adjacent thereto. Dufferin Wind further agrees that all Work undertaken by Dufferin Wind shall be carried out in accordance with good engineering practices and in compliance with all applicable federal, provincial and municipal laws and by-laws and best practices at Dufferin Wind's sole cost and expense, including any re-instatement, remediation or restoration of the Roads required to be completed by Dufferin Wind pursuant to this Agreement.
6. During construction, traffic control shall be provided by Dufferin Wind at its sole cost and expense and in accordance with all applicable provincial and municipal requirements including, without limitation, Ontario Traffic Manual - Book 7. In the event any Roads are required to be temporarily closed, the following provisions shall apply:
 - (a) Dufferin Wind shall provide five (5) days' prior written notice to the County of the required road closing;
 - (b) On or before the sixth (6th) day following the County's receipt of written notice pursuant to paragraph (a) the County shall implement its road closure procedure; and
 - (c) Dufferin Wind shall minimize any disruption of access to private properties provided that at all times local access to private properties shall be maintained.

7. Except in the case of emergencies, no Work will proceed without the prior written approval of the County. All Work shall be completed in compliance with the reasonable directions of the Director of Public Works for the County (the “**Director**”). Dufferin Wind agrees that the County acting reasonably may use the services of a third party engineering firm to review the proposed Work, provide on-site supervision of the Work, and/or conduct post-construction inspection of the Work. Dufferin Wind shall reimburse the County for the cost of any such third party engineering services.
8. Dufferin Wind shall indemnify and hold harmless the County, its officers, members of municipal council and employees from and against any liabilities, claims, expenses, demands, loss, cost, damages, actions, suits or other proceedings by whomsoever made, directly or indirectly arising out of this Agreement or caused by any acts or omissions of Dufferin Wind, its officers, agents, employees, invitees or licensees, as a result of activities under this Agreement save and except for any loss or injury resulting from the gross negligence of the County or its officers, agents or employees.
9. Dufferin Wind shall, at its sole cost and expense, take out and maintain in full force and effect, at all times throughout the Term, the following insurance:
 - (a) legal liability insurance to address the risks arising, directly or indirectly, out of the Road Uses or the design, installation and/or construction of the Works. Such policies shall be written on a comprehensive basis with coverage for any one occurrence or claim of not less than five million dollars (\$5,000,000) or such higher limits as the County may reasonably require from time to time;
 - (b) general liability and property damage insurance, including personal liability, contractual liability, non-owned automobile liability, and owners’ and contractors’ protective insurance coverage. Such policies shall be written on a comprehensive basis with coverage for any one occurrence or claim of not less than five million dollars (\$5,000,000) or such higher limits as the County may reasonably require from time to time; and
 - (c) such other forms of insurance as may be reasonably required by the County from time to time.

All such insurance shall be with insurers and shall be on such terms and conditions as the Treasurer of the County reasonably approves. Such policy or policies shall be comprised of primary and/or umbrella coverage and shall include the County, its servants and agents and the County’s engineers as additional insureds. The County shall obtain from the insurers under such policies undertakings to notify the County in writing by registered mail at least thirty (30) days prior to any expiration or cancellation thereof. Dufferin Wind shall furnish to the County, on written request, proof of payment and certificates of all such policies certified by the insurer. Dufferin Wind agrees that if it fails to take out or to keep in force such insurance or if it fails to provide a certificate of every policy and evidence of continuation of coverage as herein provided, the County shall have the right to take out such insurance and pay the premium therefor and, in such event, Dufferin Wind shall pay to the County the amount paid as premium plus fifteen percent (15%), which payment shall be payable within fifteen (15) days of Dufferin Wind’s receipt of such invoice from the County.

10. The insurance policies maintained by Dufferin Wind pursuant to this Agreement may contain an exclusion for blasting provided that in the event the Works require Dufferin Wind to carry out blasting activities provided that Dufferin Wind will obtain a blasting insurance endorsement satisfactory to the County acting reasonably prior to conducting any blasting activity. All blasting activities shall be carried out in strict accordance with all applicable federal, provincial and municipal requirements.
11. The issuance of Dufferin Wind's policies of insurance pursuant to this Agreement shall not be construed as relieving Dufferin Wind from such responsibility for claims which exceed the policy limits, for which they may be held responsible.
12. The County and its contractors, agents and employees shall not be liable for any death, injury, or damage to, or loss of property of, Dufferin Wind or its employees, agents or invitees occurring in or about the Roads, whether or not such death, injury, damage or loss resulted from the act, omission or negligence of the County, its contractors, agents or employees or other persons for whom it may be responsible. Without limiting the foregoing and for greater certainty, Dufferin Wind acknowledges that the County shall not be liable for any death, injury, damage or loss resulting from:
 - (a) the state of repair of the Roads;
 - (b) falling trees;
 - (c) actions or inactions of other users of the Roads; or
 - (d) damage or interruption in service arising from repairs or other work to the Roads performed in accordance with applicable laws.

15. Provided that Dufferin Wind is not then in default of its obligations under this Agreement, Dufferin Wind shall be entitled to assign this Agreement including all of the Rights to: (a) any person who is a transferee of the Project; and (b) to Dufferin Wind's lenders as security for Dufferin Wind's obligations to such lenders who shall be further entitled to assign this Agreement and the Rights to a person described in paragraph (a). Each of the parties covenants and agrees with the other that it will at all times hereafter execute and deliver, at the request of the other, all such further documents, deeds and instruments, and will do and perform all such acts as may be necessary to give full effect to the intent and meaning of this Agreement.
18. Whenever, and to the extent that, either party is unable to fulfil or is delayed or restricted in the fulfillment of any obligation under any provision of this Agreement by reason of strikes, lock-outs, war or acts of military authority, rebellion or civil commotion, material or labour shortage not within their control, fire or explosion, flood, wind, water, earthquake or other casualty, any event or matter not wholly or mainly within their control (other than lack of

NOW THEREFORE in consideration of the sum of Two Dollars (\$2) paid by each of the Agent and the Collateral Agent to the Owner and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Owner hereby acknowledges, covenants and confirms to each of the Agent and the Collateral Agent, as follows:

1. The Owner consents to the creation of the Security Interests.

2. The Owner acknowledges that, following an event of default by Dufferin Wind under the Credit Agreement or an event of default as defined in the Collateral Agency Agreement (each, and “**Event of Default**”), the Collateral Agent, the Lenders, the Agent or the Secured Creditors or any nominee or designee thereof or any receiver or receiver-manager (individual and collectively, an “**Agent Party**”) shall have the right to enforce the Security Interests, including, without limitation, the right to enjoy and enforce the rights of Dufferin Wind under the Agreement and, in the course of the enforcement of such rights, shall be entitled to sell, assign, transfer, negotiate or otherwise dispose of the Agreement provided that the Agent Party obtains the consent of the Owner which consent shall not be unreasonably withheld, delayed or unreasonably conditioned, provided that in exercising such rights the Agent Party shall assume all of the liabilities and obligations of Dufferin Wind.

 6. The Owner confirms and acknowledges that in the event that the Collateral Agent or any other Agent Party assigns, transfers or otherwise disposes of its interest in the Agreement pursuant to its Security Interests (a "**Transfer**"), it will not unreasonably withhold, delay or unreasonably condition its consent to the Transfer, and, upon such assignee or transferee covenanting and agreeing in writing with the Owner to assume and perform all of the covenants and obligations of Dufferin Wind pursuant to the Agreement, each of the Collateral Agent and the other Agent Party shall, thereupon and without further agreement, be freed and relieved of all liability with respect to the Agreement from and after the effective date of such Transfer.
