### **REPORTS**

1. **COMMUNITY DEVELOPMENT COMMITTEE – August 27, 2013 – ITEM #1**  
**DEEP Project Review – August 2013**

A report from the Director of Public Works dated August 27, 2013 to provide an update on the DEEP Project with respect to the June 13, 2013 Council motion. The Chair gave a detailed overview of the report and highlighted the timeline of events. An itemized list of funds spent to date on the DEEP was discussed, along with several conditions that need to be factored in prior to moving forward with the project.

The Committee discussed the three options that were outlined in the report with respect to municipal solid waste at the DEEP. The Committee also discussed its willingness to keep moving forward with the Region of York on a Source Separated Organics facility. Staff was directed to request progress update reports

from York Region every two months.

**Moved by Councillor White, seconded by Councillor Kolodziechuk**

**THAT Staff will monitor the policy environment and the changes in technology regarding waste processing and report any significant advances as they materialize;**

**AND THAT there be an open invitation to any company to make a presentation at future Committee meetings to educate members on upcoming technologies and processes that would be economically feasible for less than 20,000 tonnes of solid waste.**

**-Carried-**

### **CORRESPONDENCE**
