Our Programs

Family Time: An opportunity for parents and caregivers to spend quality time with their children (0-6yrs) and share their experiences with other parents and caregivers.

Parenting Workshops: Varieties of topics are presented in an informal setting where parents/caregivers can learn and discuss parenting techniques and family based concerns. Workshops are free and are facilitated by qualified staff members or other community partners. Free childcare provided at the EarlyON Centers.

Parent/Caregiver and Child Interactive Programs: Programs designed to encourage the early learning as well as bonding between parent/caregiver and child.

FAB "feelings after Birth": A supportive group offered to all Mothers needing additional support in the first two years after the birth/adoption of a child. The Group meets in Orangeville on Thursday Mornings or Afternoons. Pre-registration is required. Please call 519-941-6991 ext. 2202

CUP "Come Understand Parenting": A support program offering positive parenting skills and access to community resources. The program meets in Orangeville on Wednesday afternoons. Registration is required, please call EarlyON at 519-941-6991 ext. 5701 for more information.

Kids First: A literacy program geared to children 3-4 years old who will be starting school in September. We focus on routines, communication, readiness skills and play based learning. Registration is required

Transportation Van: This program is set up to provide transportation to families with children aged 0-6 to essential services and programs. Please call 519-938-0559 for more information.

Resource Lending Library: A resource lending library which offers a wide variety of books for borrowing.
