Toddlers lead their exploration through discovery baskets, mystery bags, songs and rhymes. Parents/caregivers will also benefit by supporting their child/children's interests and extending their own knowledge on how their toddlers learn and develop.</p>
<p>Toddler Creative Sensory Time (1 session)</p>	<p>13 – 24 months (Walkers)</p>	<p>This is a 60-minute interactive program designed for Parents/Caregivers and their Child/Children ages 13 – 24 months and walking. Your child will have an opportunity to explore a variety of creative and sensory experiences, which will stimulate their senses, creativity and learning.</p>
<p>Time for Twos (1 session)</p>	<p>2 years</p>	<p>This is a 60-minute interactive program designed for Parents/Caregivers and their Child/Children ages 2 years. This program includes a short group experience, a time of sensory exploration and discovery.</p>
<p>Creative Kids (1 sessions)</p>	<p>2 – 6 years</p>	<p>This is a 60-minute interactive program designed for Parents/Caregivers and their Child/Children ages 2 – 6 years. You can support your child's creativity through creative art materials such as paint, chalk, clay and more. Creativity is more than a product, it is a process.</p>
<p>Play Dough (1 session)</p>	<p>2 - 6 years</p>	<p>This is a 60-minute interactive program designed for Parents/Caregivers and their Child/Children ages 2 - 6 years. Play dough is a powerful learning tool which supports children's development and learning as they explore and create.</p>

ABC Come and Play with Me (1 session)	2 ½ - 6 years	This is a 60-minute interactive program designed for Parents/Caregivers and their Child/Children ages 2 ½ - 6 years. This program includes a small group literacy experience and a time of sensory discovery as we explore the letters of the alphabet. Each child will explore and focus on the letters found in their own name that are meaningful just to them.
I Wonder Whom and What I can be? (1 session)	2 ½ - 6 years	This is a 60-minute interactive program designed for Parents/Caregivers and their Pre-school aged Child/Children. This is a time of dramatic play providing opportunities for learning in many areas of development. Child/children will have opportunities to use their imaginations and express themselves through song, story, props and open-ended materials. Parents/caregivers will be able to observe, encourage and support their child/children.
1, 2, 3 Come and Play with Me (1 session)	2 ½ - 6 years	This is a 60-minute interactive program designed for Parents/Caregiver and their Child/Children ages 2 ½ - 6 years. Early math concepts are introduced through a story, finger plays, action songs and exploration time. Child/children will have the opportunity to learn about numeracy, shapes, comparisons, grouping, matching, and measuring using loose parts and sensory experiences. Parents/caregivers can support learning by letting their child/children lead and explore.
Fun with Scarves (1 session)	0 - 6 years	This is a 45-minute interactive program designed for Parents/Caregivers and their Child/Children ages 0 – 6 years. Playing with scarves is a wonderful sensory and motor experience for child/children. We can observe the learning that takes place with something as simple as a scarf. Child/children of various ages can manipulate scarves in many different ways.
Family Song Time (1 session)	0 - 6 years	This is a 45-minute interactive program designed for Parents/Caregivers and their Child/Children ages 0 – 6 years. Families come together and enjoy singing and listening to the child/children’s favorite songs. These songs encourage participation from child/children and parents/caregivers. The musician will introduce the child/children to rhythm and various musical instruments e.g. guitar.
Band in a Basket (1 session)	0 - 6 years	This is a 45-minute interactive program designed for Parents/Caregivers and their Child/Children ages 0 – 6 years. This is a time to come together for singing and exploration of various musical instruments.
Family Creative Time (1 session)	Mobile infants - 6 years	This is a 60-minute interactive program designed for Parents/Caregivers and their Children ages mobile infants – 6 years. This program is for families with more than one child engaging in creative experiences together. Child/children will be able to explore, experiment and have fun with various creative materials. Creativity is the process not the product.
Family Sensory Bins (1 session)	Mobile Infants - 6 years	This is a 60-minute interactive program designed for Parents/Caregivers and their Children ages mobile infants – 6 years. This program is for families with more than one child engaging in sensory bin experiences together. Sensory play is an important part of early childhood development. The children will be able to explore a variety of sensory experiences, which will stimulate their senses, discovery and creativity.

** Non-mobile infants can attend any older child programs **
