

Rhymes, Songs and Stories for Babies (5 sessions)	0-12 months	Parents/caregivers and children enjoy a time of rhyme, songs and stories in a group setting where early language skills, communication skills and storytelling skills are promoted and encouraged. There are 5 sessions with each session building on skills from the previous sessions.
Infant Discovery 1 for pre-crawlers (1 session)	Pre-crawlers	This 60 minute interactive program is for Parents/Caregivers and their pre-walking/crawling infants. Infants will nurture and develop their sensory skills as they explore through discovery baskets, sensory mats, songs and rhymes. Parents and Caregivers will also benefit by observing their child's interests and support the infant's emerging skills through sensory activities.
Infant Discovery 2 for crawling infants (1 session)	Crawling/mobile infants	This 60 minute interactive program is for Parents/Caregivers and their mobile or crawling infants. The infants are the leaders of the program, exploring through discovery baskets, sensory mats, crawling tunnels, climbing activities, songs and rhymes. Parents/Caregivers will also benefit by observing their child's interests and take home some ideas for interactive play.
Infant Song Time (1 session)	Infants (Pre-walkers)	This 45 min. program is for Parents/Caregivers and their pre-walking infants. Participants will enjoy songs, musical instruments and games promoting growth in various developmental domains.
Toddler Discovery Time (1 session)	13-24mnths (walkers)	This 60-minute interactive program is geared towards the naturally curious toddler. Toddlers lead their exploration through discovery baskets, mystery bags, climbing activities, songs and rhymes. Parents and Caregivers will also benefit by supporting their child's interests and extend knowledge of the emerging skills of their toddlers.
Toddler Creative Sensory Time (1 session)	13-24mnths (walkers)	This 60 minute interactive program is for Parents/Caregivers and Children. Your child will have an opportunity to explore a variety of creative and sensory experiences, which will stimulate their senses creativity and learning.
Time for Twos (1 session)	2 years	This 60 minute interactive program designed for parents/caregivers and their 2 year old child (ren). This program includes a short group experience, a time of sensory exploration and discovery.
Creative Kids (1 session)	2 – 6 years	Creativity is more than a product, it is a process. During this 60 min workshop, you can support your child's creativity through creative art materials such as paint, chalk, clay and more.
ABC Come and Play with Me (1 session)	2 ½ -6 years	This is an interactive program for parents/caregivers and their 2 ½-6 year old child(ren). This program includes a small group literacy experience and a time of sensory discovery as we explore the letters of the alphabet.

EarlyON Child and Family Centres Dufferin: **Parent-Child Interactive Programs**

I Wonder Whom and What I can be? (1 session)	2 ½ -6 years	This 60 min interactive pre-school drama program provides opportunities for learning in many areas of development and shows their understanding of the world Children will have opportunities to use their imaginations and express themselves through song, story, props and open-ended materials. Parents and Caregivers will be able to observe, encourage and support their children.
1,2,3 Come and play with me (1 session)	2 ½ -6 years	This 60-minute interactive program is for children aged 2.5-6yrs and their Parent and/or Caregiver. Early math skills are introduced through a numeracy story, finger plays, action songs and exploration time. Children will have the opportunity to learn using numeracy, shapes, comparisons, grouping, matching, and measuring along with developing fine and gross motor skills. Parents and Caregivers can support learning by letting the child lead and explore.
Play Dough (1 session)	2 ½ -6 years	This is a 60 min interactive program designed for Children ages 2 ½ -6 years of age and their Parent and/or Caregiver. Play dough is a powerful learning tool, which supports children’s development and learning in many areas or domains. Come observe experience and learn how play dough supports learning as your child explores, creates and has fun with play dough.
Fun with Scarves (1 session)	0-6 years	This program is designed for parents/caregivers and children to engage in scarf play together. Playing with scarves is a wonderful sensory and motor experience for children. We can observe the learning that takes place with something as simple as an open-ended scarf. Children of various ages can manipulate in many different ways. (45 min)
Family Song Time (1 session)	0-6 years	Families come together and enjoy singing and listening to children’s favorite songs. These songs encourage participation from children and parents and the musician introduces the children to rhythm and various musical instruments (e.g. guitar).
Band in a Basket (1 session)	0-6 years	This is a 60 min program for parents/caregivers and children to come join us for a time of singing and exploration of various musical instruments.
Family Creative Time (1 session)	Mobile infants-6 years	This program is designed for families with multiple children with mobile infants -6 yrs. to engage in creative experience together. Creativity is the process not the product. Children will be able to explore, experiment and have fun with various creative materials (60 min)
Family Sensory Bins (1 session)	Mobile Infants-6 years	This program is designed for families with multiple children with mobile infants 0-6 yrs. to engage in sensory bin experiences together. Sensory play is an important part of early childhood development. The children will be able to explore a variety of sensory experiences, which will stimulate their senses, discovery and creativity. (60 min)

** Non-mobile infants can attend any older child programs **
