

DOES MY PROJECT REQUIRE A PERMIT?

Are you constructing a detached structure that has plumbing or is larger than 10m²?

YES

NO

If you are replacing...

- A/C unit or furnace
- Roof shingles or eaves troughs
- Doors or windows
- Floor or ceiling finishes
- Kitchen cupboards
- Siding
- Damp-proofing basement
- Landscaping
- Painting, decorating, or general maintenance

Are you constructing a deck (attached to a building), a pool, or a cabana?

Are you demolishing a building?*

*Note: Farm buildings are exempt from requiring a permit.

Are you adding an addition to a building or repairing/replacing the septic?

Contact the Building Department if you have questions with regards to permitting requirements for your project:
519-941-2816

PERMIT REQUIRED

PERMIT NOT REQUIRED
