AMENDMENT NO. 3

To the Dufferin County Official Plan

PART A - THE PREAMBLE

1.0 PURPOSE AND EFFECT

The purpose and effect of the Official Plan Amendment is to update the policies and land use schedules of the Official Plan to conform with A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2020) and implement the County's Land Needs Assessment completed as part of the Dufferin County Municipal Comprehensive Review. Specifically, Schedule B and B1 implement the expanded settlement areas of the Township of Grand Valley and the Town of Shelburne and provide Employment Land designations throughout the County; Schedule C implements refinements to the Prime Agricultural Lands throughout the County; and Schedule E and E1 implement the Natural Heritage System for Dufferin County. Amendments to the text of the Official Plan are included to ensure policies related to Prime Agricultural Lands and Natural Heritage System reflect the updated Schedules.

2.0 LOCATION

The Amendment applies to the entire corporate limits of Dufferin County.

3.0 BASIS OF THE AMENDMENT

The County of Dufferin Official Plan was adopted in 2015. New Official Plans are required to be reviewed and updated within ten years of adoption, however the release of an updated Growth Plan in 2017 included a requirement for upper-tier municipalities to update their Official Plans to conform by July 2 ,2022. The Growth Plan includes direction to Upper-tier municipalities to implement Provincial mapping of Prime Agricultural Areas and the Natural Heritage System.

The County undertook consultation with local Municipalities within the County to inform the refinement of Prime Agricultural Lands and the Natural Heritage System. A Comprehensive Review was also undertaken to update population and

employment growth allocations for each local municipality in the County. This resulted in direction to expand the settlement areas of Grand Valley and Shelburne as identified in the amendment.
