

# Waste Removal Schedule

## Garbage, Kitchen Greenwaste and Recycling:

- Must be removed daily from worker quarters, communal areas, kitchens and bedrooms.

## Procedures:

- Wear disposable gloves while handling.
- Do not use any part of the body to press or compact garbage in containers or garbage bags.
- If any garbage container is leaking, place leaking bag into another bag and cleanup spill immediately.
- When finished, remove gloves and wash hands.

## Farm Dumpster

- Removed weekly
