

Dufferin County WELL PROGRAM

Funded by:

Upgrading your well or decommissioning an unused well can protect and improve your drinking water by preventing contaminants from reaching the groundwater and your water supply.

PROJECT

GRANT RATE

Upgrading wells	80% up to \$1,000
Decommissioning unused wells	100% up to \$1,000

Please note all work must be done by a licensed well contractor. Farm applicants must have an Environmental Farm Plan.

FOR INFO OR TO APPLY:

Contact your local conservation authority (see reverse), email ruralwater@grandriver.ca, or call 519-621-2763 ext. 2268.

Funds are provided by Dufferin County and administered by the Grand River Conservation Authority. For more information or to apply for funding:
Contact your local conservation authority, email ruralwater@grandriver.ca
or call 519-621-2763 ext. 2268
